EURIM
PHARM

The Company

Corporate Philosophy

- At the centre of EurimPharm's corporate philosophy lies the quality leadership for all products and services offered.
- State-of-the-art manufacturing processes, continuous batch controls as well as complete in-process and final inspections guarantee the absolute quality demands for these products.
- In addition, they are subjected to regular analysis at our in-house laboratories.
- EurimPharm is the only parallel-importer of pharmaceuticals in Germany certified in accordance with the latter DIN EN ISO 9001:2008 standard.
